Verse 1

I suppose I've seen you three times now
And I guess that I'm
wondering how you keep the boys at bay
I have a feeling that they are wondering too.

I've seen you with your hair down at least five times
I've always wondered
What makes man commit crimes?
But even I would sometimes
If it were for the likes of you

(F/G) And your glasses, your hideous glasses
When you remove them I would rather
skip my classes and be caught
Then to entertain the thought
That someday you'll just put them on again
But I can make the best of it until then

Still I know you go deeper than your beauty,
You go well above and beyond
Call of duty to your country and your school
But I grew up too cool

(F/G) I'm like the rest of 'em
with our thumbs up our asses
If you call I will come,
But I'm about as quick as molasses.
When I dream of you, remembering your glasses.
A la la la la la la la la la la la la.
